

Over the past year, City Council embarked on a process to define its priorities for this term of Council. Council adopted 3 main priorities earlier this year that outline where we will spend our time, energy, and focus from 2022 to 2026. I have listed my 8 campaign priorities under each heading below so you can see where my campaign priorities align with this Council's goals.

Council Priority 1 - Sustainable Economic and Ecological Development

Great cities need strong, resilient economies, and Hamilton's commitment to being a sustainable global city is part of its competitive advantage. As we facilitate job creation, business growth and industry excellence we will protect our unique natural landscape and waterways and mitigate the impacts of climate change.

Council Priority 2 - Safe and Thriving Neighbourhoods

We want Hamilton to be a great place to live, for everyone. That means making sure people of all ages and income levels can afford to live here, that our neighbourhoods are cared for and vibrant, and that people can move around safely and effectively no matter how they travel.

Safe Neighbourhoods

Dependable Transit

Community Engagement

Council Priority 3 - Responsiveness and Transparency

Government plays an important role in people's lives through the provision of vital services, programs and support systems. To fulfill those responsibilities, City Hall must continue to develop its approach to public engagement, respond effectively and efficiently to public need and feedback, and communicate its approach in an accessible and transparent manner.

Accountable Leadership

Responsive Services

Conclusion

I hope this detailed Impact Report has given you a complete picture of not only the place we all call home but also the work the Ward 2 Team and I have been doing to represent your needs in my first year as your City Councillor.

As you can tell from the report, this year has been focused on engagement, committee participation, and making initial progress on Ward 2 and citywide priorities from my campaign platform.

Next year, I'll focus on Tenant and Youth Councils, continue to make progress on priorities, and engage with you on issues that are important to all of us.

In the meantime, if you need anything, please reach out directly to the Ward 2 Team either by email at Ward2@hamilton.ca or by phone at (905) 546-2197.

If you'd like to reach me directly, you can email me at Cameron.Kroetsch@hamilton.ca. I look forward to working together in the years to come.
