

Our 6 Neighbourhoods

Our 6 Neighbourhoods

Each one of Ward 2's neighbourhoods is unique and many residents care deeply about the place they call home - Beasley, Central, Corktown, Durand, North End, and Stinson.

It's why the Ward 2 Team spent the first year focused on Neighbourhood Town Halls, why we categorize the requests we get by neighbourhood, and why we've put this section together.

The next few pages outline what issues were raised most often through our customer service ticket system by neighbourhood (excluding Hamilton Police Service crime data) and detail some of the amenities, features, and stats specific to where you live in Ward 2.
