

The information in this section outlines what actions I've taken to represent you over the past year at committees, in the Ward 2 office, and out in the community.

This section also outlines how I have stewarded the funds levied from taxes paid by Ward 2 residents, totalling between \$1.2 and \$1.5m every year.

As your City Councillor, I take the responsibility of representing you seriously. It's why I'm a member of dozens of active boards and committees.

It's also why I've taken on the roles of Chair and Vice Chair on 7 of them in my first year, including the Audit, Finance and Administration Committee, the Hamilton Farmers' Market, and the Hamilton Waterfront Trust.

I have taken on this level of engagement to ensure I'm there, every day, to be the voice of Ward 2 residents as decisions are made that impact you.

I hope this information contained in the following pages demonstrates my commitment to this role and to all Ward 2 residents.
